UPDATES-Eileen Freydborg

Courts Maintenance– Courts 11-18 will be closed for resurfacing on May 30th – June 10th.
The Rec Center put together a weekly, monthly, quarterly, and yearly check list for each facility in regards to court maintenance for their employees to follow. As members of the pickleball club, we still need to take pride in our facilities by helping to keep our courts neat and tidy. Clean up after yourself. New brooms and squeegees have been ordered.

Court Amenity Update – The Rec Center is looking into an ice machine and possible locations. Potable water is an issue for swamp coolers and misters. We would be responsible for bringing in the water and for maintenance of the equipment. Eileen has chosen an umbrella style from one vendor, but is looking into another vendor that the Rec Center suggested. We will be putting together a layout for furniture at Liberty courts to present to the Rec Center. The Rec Center will be purchasing two court cleaning machines after they receive three bids. Club members will be trained to use these machines.

Master Plan – Pickleball was in the top 5 vote getters. Within the next couple of months, the Rec Center will start phase 2 of the master plan.

Officer at Large – Danielle Smith reported by Eileen

There will be a pool party this summer and along with some other events. Check out the upcoming newsletters for the dates. Please register for all events. If you cannot attend after you have registered, please cancel.

Comments from Members

*If you see something that may be a safety concern, please let a member of Board know or contact the Rec Center.

*The question was asked how does the tennis club clean their courts. We don't know the answer to that.

Thank you to Joann Gaston and the mixed couples group for dinner.

A motion to adjourn was made by Lucy Ward and seconded by Jim Vermeer. Motion passed.

Meeting was adjourned.
