OFFICER AT LARGE – Bob Bastian

- Report on the Courts – There was an issue with the lights at Sands related to timers. The problem has been resolved. In addition, there are lights out at Liberty Courts and the RecCenter is aware and working on that.
- On Monday, May 15, Liberty Courts will be cleaned by the Rec Center.

OFFICER AT LARGE – Don Marshall

- The Ball Machines are both online. Three people are available to check you out on each machine.
- Kathleen Doody has agreed to be available on Court 5 from 09:00 to 10:30 on Thursday to check you out on the Lobster Ball Machine.
- Badges – Badges must be worn during Club events. The Ops manual says you get one warning and if not wearing a badge after that you are excluded from play.
- Hydration – It's Summer and hydration is *VERY* important. Make sure you have liquids with you while playing.
- Fall Schedule – This has been voted on and approved by the Board.

NEW BUSINESS

- There was a question regarding a plot of land that could possibly be developed for Courts. That is a Governing Board issue and needs to be asked of them. Kasey Huhta of the Governing Board was present and addressed the question. She said that the piece of land in question is owned by Maricopa County.
- There was a question regarding the Kuntz/Tennis court conversion. The cost to convert Kuntz is approximately 2 million dollars and 2 yrs. so this was not a viable plan.
- There were kudos for the Cinco de Mayo event.
- There was a reminder to check on fellow members who are sitting alone d/t possible dehydration problems.
- There was a question on Indoor Pickleball court usage. The Rec Center is short staffed and will be redoing the indoor courts so they will not be available for summer use.

A motion to adjourn was made by Audry Hannon and second by Gary Saelens. Unanimously passed and meeting adjourned.
